

BRING IT HOME, GE!

Join us for a Zoom Town Hall to learn about how IUE-CWA is fighting to keep and grow manufacturing jobs at General Electric.

For decades, we have seen jobs moved out of our IUE-CWA shops across the country. We are standing up for our future - and calling on GE to invest in American manufacturing.

“GE’s profits rely on taxpayer dollars. The workers and communities who pay taxes deserve stable, sustainable investment from GE in return.”

Our labor and tax dollars make GE profitable and our facilities and communities deserve just and stable investment for the long-term.

**BRING IT HOME, GE WORKER TOWN HALL
WEDNESDAY, SEPTEMBER 1ST
7PM ET/6PM CT**

GE Workers from across the country are coming together to demand that GE:

- Stop its decades long practice of divesting from U.S. facilities and moving jobs overseas to exploit low wage workers in other countries
- Invest in union represented manufacturing sites in the United States
